Sew using a ¼” seam allowance with right sides together (RST) unless otherwise indicated. Always press towards the darker fabric while assembling, unless otherwise noted by the arrows.

Sewing Instructions
1. Sew the selected 5 ¾” Fabric A blocks together to spell the selected name to make the Center Block.

Fig. 52
Note: The length of the top and bottom borders will depend on the name chosen. Measure the top and bottom of the Center block and then cut the borders accordingly. This will be done for each round of borders.

2. Sew (1) 1” x 5 ¾” Fabric B strip to each side of the Center Block. Sew the top and bottom borders onto the Center Block (Fig. 53).

3. Sew (1) 3 ½” x 7 ¾” Fabric C strip to each side of the Center Block. Sew the top and bottom borders onto the Center Block to make the quilt top (Fig. 54).

Layering, Quilting and Finishing
44. Press the quilt top and backing well. Layer backing (wrong side up), batting, pressed quilt top (right side up) and baste. Quilt as desired and trim excess batting and backing when quilting is complete.

Binding
45. Cut the ends of the (4) Fabric D binding strips at a 45-degree angle and sew end to end to make (1) continuous piece of binding. Fold in half lengthwise and press wrong sides together.

46. Sew the binding to the front of the quilt, raw edges together. Turn the folded edge to the back, and hand stitch in place.
